An Etiquette and Manners School

**Children and Adolescent Programs**

## ABOUT US

At Chameleon Academy we believe that our etiquette classes go hand in hand with a formal education. In addition to book education it is important to be educated about social graces. We have etiquette classes that have been tailored to the child and adolescent age group to help them grasp the art of proper etiquette.

All of our classes are taught by Kendy John. Kendy John has taught social graces for years and she also holds an etiquette instructor certification from the prestigious Etiquette Institute.

adapt,  
transform  
and succeed.**
