An Etiquette and Manners School

**Manners Course for  
Girl Scouts**

This is an independent class that has no affiliation with Girl Scouts of the USA.

## ABOUT US

At Chameleon Academy we believe that our etiquette classes go hand in hand with a formal education. In addition to book education it is important to be educated about social graces. We have etiquette classes that have been tailored to the child and adolescent age group to help them grasp the art of proper etiquette.

All of the classes follow the traditional Girl Scout Manners Badge Category curriculum, with added tips from a Certified Etiquette Consultant.

All of our classes are taught by Kendy John. Kendy John has taught social graces for years. She has a Masters in Strategic Communication and she is also a Certified Etiquette Consultant.

**If given the  
right tools  
everyone has  
the ability to  
adapt,  
transform  
and succeed.**

education cannot."
